

Snail Man

BODY : 50 ARMOR : 500

The **Snail Man** is a grunt force of the Snail Empire in the Under Dark.

They sometimes Wield Sticks that deal **3**

PRIMAL or Crude Swords covered in

Slime that deal **5 Acid**.

Snail Men are **WEAK** to **NECROTIC**

Damage as well as **Sonic** Damage, but will be instantly Slain in a graphic overdramatic fashion if ever struck by **SALT**.

Snail Men move Slow and “Waddle” from left to right in a comical fashion.

They should move slowly until they attack. When within 10ft of a target the Snail Man will sprint at their victim.

The **Snail Man** will attempt to **SUBDUE** their victims in their sticky **MUCUS**, first and foremost. They will then attempt to **DEVOUR BUT SLOW** their victims inching them into their toothy maw.

If this fails the Snail Man is a somewhat capable combatant with seemingly a minor amount of wit and training. They will attempt to **SLAP** their opponents into a daze, or **BODY SLAM** themselves against their victims with their massive heavy bodies.

SUBDUE x 5

Strike a target with a Weapon Attack and render them **Immobilized** so long as you remain in contact.

DEVOUR BUT SLOW x 3

Choose an **Immobilized** target you are in contact with; after 10 seconds of preparation deal **400 Body Drain** damage and cure a Status Effect.

BODY SLAM x 3

Strike a target with a Weapon Attack; render yourself **Tripped** and the target suffers **4 Broken Limbs**.

WILLPOWER x 3

Defend a **Social** (Enraged, Charmed, Feared) attack.

MUCUS x 3 sec CD

Strike a target with a melee attack OR choose a target **SUBDUED** by you; the target is rendered **SLOWED** and feels gross.

SLAP x 3 sec CD

Strike a target with a melee attack and render them **STUNNED** or deal **5 Body** damage.

SNAIL SHELL PASSIVE

The Snail Man is **HIGHLY RESISTANT** to Attacks that do not strike their **FRONT TORSO**.
